*Drawing for representation purposes only

The tile is laid only in one direction as the fluidity of the lines remains uncompromized. The tile can be laid out for walls

The tile is suitable for internal and external areas including the wet areas. The tile can be used for Interior Wall, Shower Wall, Exterior wall, Fireplace Backsplash.

Lighting is a key component. it significantly enhance the design. A great lighting needs to wash down or across the surface, depanding on wether the grains run horizontally or vertically
